

ARCHITECTURAL DESIGN
LEVEL ONE STUDIO, FALL 2005
ALAN JOSLIN

WITH

DAVID WHITNEY – CONSULTANT OF STRUCTURE AND CONSTRUCTION

CHRISTOPHER B. DEWART – BUILDING INSTRUCTOR

REBECCA LUTHER, JENNIFER SEELY, ANGELA E. WATSON – CRITICS AND INSTRUCTORS

JOSLIN STUDIO, PROBLEM #7: “A GATHERING PLACE FOR SCHOLARS”

Theme for Problem #7:

The program and building organization will be studied with special emphasis on the following issues,

- 1) Final massing of design
- 2) Interior building organization (shape and location of path and place)
- 3) Palette of formal/material systems
- 4) Geometric and Structural system
- 5) Dimensional description of building in plan and section with texture of secondary spatial definition, i.e. furniture, partial walls and screens

Schedule and Format for Problem 7:

Tuesday, November 15th,

- 1) Talk by Angela Watson on Presentation Tricks
- 2) Review of Plans and Section Drawings at Desks

Thursday, November 17th,

- 1) Review of Structural Model at Desks

Friday, November 18th,

- 1) Review of Final Structural Model at desks
- 2) Review of approach to Final Model at desks
