4.500 Assignment 1

This cabin on the Concord River is the perfect retreat for our century's Henry David Thoreaus and Ralph Waldo Emersons. In this "modern cottage," with a full bath, kitchenette, lofted bed, and desk space, guests live in comfort and style. The cabin takes advantage of the site, with strategic window views and a porch facing the Concord River. Nestled among the trees of Minuteman National Historic Park, and steps away from the water, the retreat will provide a wealth of inspiration for any writer.
