

## Typos in Chapter 7

- (1) Fig. 7.4 (c): the equation under the figure should have  $(\Delta u_1/L_2)$  instead of  $(\Delta u_2/L_1)$ , as is correctly stated in Eqn. 7.9 on page 250.
- (2) Eqn. 7.5 on page 249 should have  $\varepsilon_{kl}$  instead of  $\varepsilon_{ij}$  on the right hand side.
- (3) **Problem 7.1** on page 272: Part (a) should state:  
“Find expressions for  $\varepsilon_{22}$  and  $\varepsilon_{33}$  in terms of the **Poisson’s ratio  $\nu$**  and  $\varepsilon_{11}$ .”
