

Session #10

Oral Presentations

Discuss sample student critical reviews:

(depending on distribution of article topics in current class)

- debt relief
- unionization of residents
- placebo surgery
- race and research

Distribute exercise on citing sources.

Documentation:

Review articles to note how documents are introduced in text.

Questions about MLA documentation?

Remember to include a list of works cited!!

Work with partners in going over outlines. Hand me copies first.

Read paragraphs first, then review outlines.
