

D-Lab

Follow-up

Name: _____

Project: _____

1. Do you plan to continue working on your D-Lab project? If so, what is your commitment to the project, what are your goals and how will you continue working with the rest of your team? Please mention any funding, grants or awards that you have received or are applying for to continue working on your project.

2. Do you plan to continue your involvement in development-related work in the future? If so, please tell us about your plans.

3. How can D-Lab assist you with your plans (personal and/or project-wise)?
