

MAS 962: ***DIGITAL TYPOGRAPHY***

**ps#6.**

Last week was a thriller. This week is meant to be a light problem set.

---

1) Read Chapter 6.

2) This is same as last week's problem set 5, but be sure that your \*ENTIRE\* alphabet is finished. No excuses this time.

3) Do the exercise of ps5 instead with "noise" from 0 to 1. **Do not use any random numbers.**
