

Problem 1: Square Wave (integral)

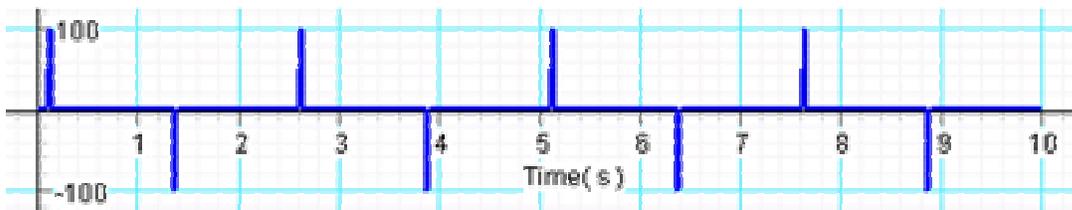

Which of the following graphs below is the integral of the above square wave?

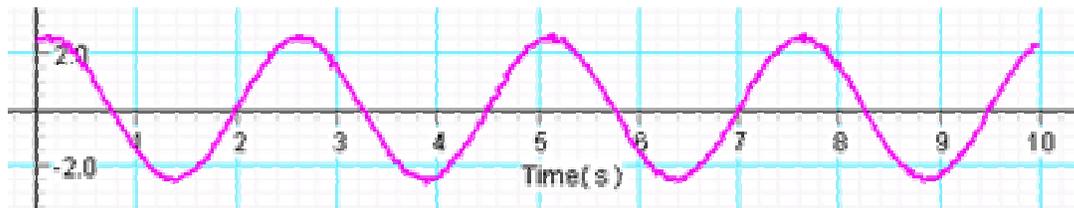

1)

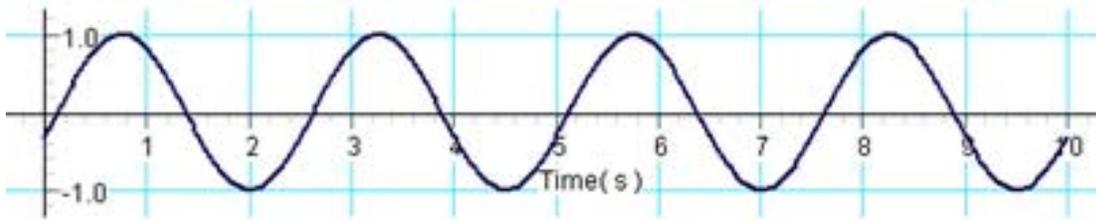

2)

3)

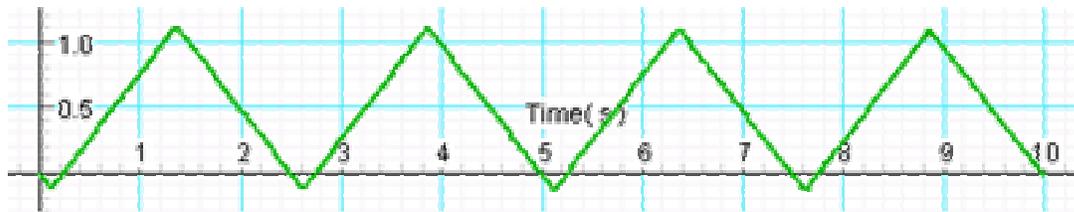

Problem 2: Sine Wave (derivative)

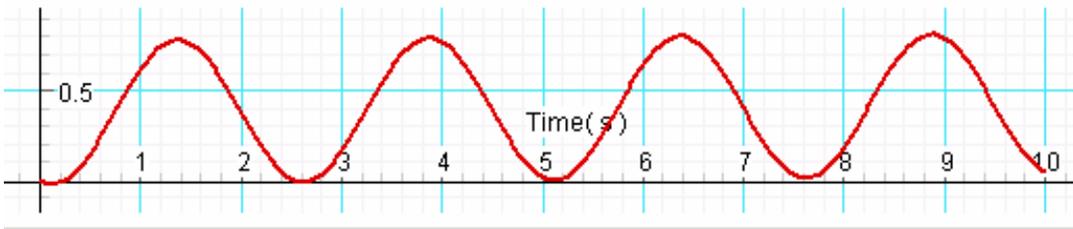

Which of the following graphs below is the derivative of the above sine wave?

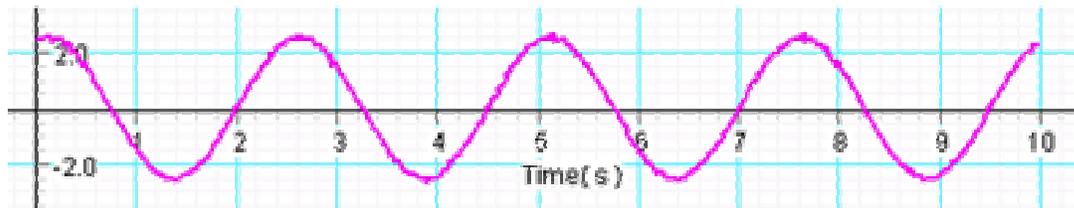

1)

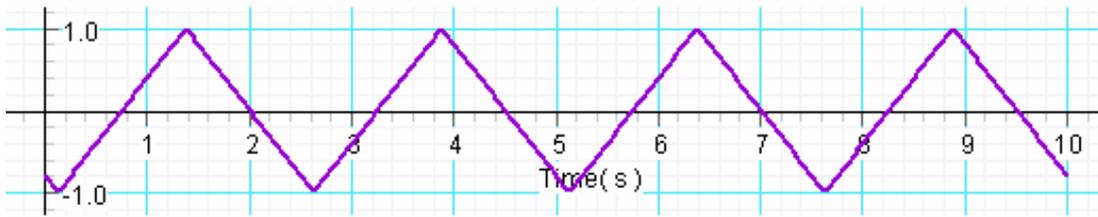

2)

3)

Problem 3: Triangle Wave (derivative)

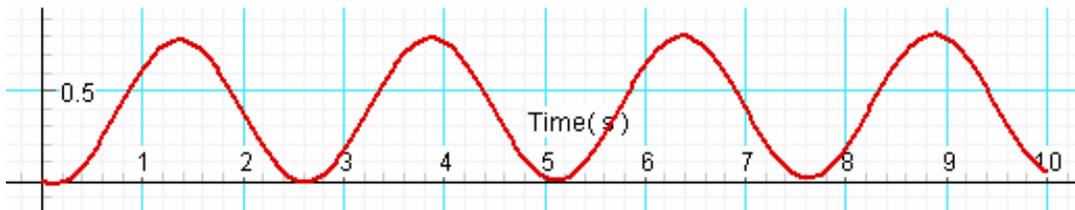

Which of the following graphs below is the integral of the above triangle wave?

1)

2)

3)
