Hospital care
Spring 2013

Anjali Sastry
and colleagues

Plan for today

- Case analysis
 - What is Vora's challenge?
 - What do you think of the three "benchmarks"?
 - What change should Star make?
- Check in on interim study
 - Kenya and Tanzania teams outside; other teams here
 - Check in again at 5:15
- Coming up
 - Thanks for the WedUps!
 - Mentor meetings this week
 - Finalizing interim studies, annotated bibliographies
 - Packing list, photo and video notes
 - Gifts and materials to come on Tuesday

Sloan portfolio deliverable choices

Visual

- Photo journal with detailed captions (12 photographs, each with an extensive caption)
- Video that presents the project, the solution, the host, and the setting (we need videos!)

Written

- Blog journal of 5-7 posts that tell a story over the course of your project
- Standalone management module that takes something you did and presents it to a general audience (e.g., a how to guide; or a checklist with detailed explanations)
- Initial draft of a case
