

**Assignment 6b (group two), Customized ArcGIS Project (20%) – Due May 18th**

*Assignment 6b:* Students (MIT and LCW) will assemble an ArcGIS Project to conduct IDA outcome scenarios and host all of the data layers we've created/compiled to date. At the end of the semester, the final Map Document (including the updated files) will be transferred to a workstation at LCW.

9

*Reminder for both groups:* Since you have completed an important phase of an ongoing project, it is important that you document your accomplishments. As a group, you will bundle and submit all project-related information, including group meeting minutes, correspondence with the client (e-mail, meeting minutes, etc.), correspondence with the consultant (e-mail, meeting minutes, application files and documentation, etc.), assignments, etc. This information must be submitted to the instructor on compact diskettes before 5:00pm on May 18th.
